Great Potential: Latinos in a Changing America (Paperback)

By Steve Moya

AUTHORHOUSE, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many Americans are wondering (and maybe worrying) about the impact of the growing Latino population. That s not surprising: in 1970 there were only 9 million Latinos (4.5 of the nation s population) but today they re fifty million strong-and by 2050, that number is projected to grow to ninety-five million. So maybe it s time to reflect on this important trend, not by isolating Latinos but by considering their role within the larger national context. Much of the nation s attention has centered on immigration or more specifically, illegal immigration. That s unfortunate because there is a much greater story here. The more interesting issues are who is going to pay for Medicare, Social Security and other costs of an aging society, and how as a nation do we continually replenish the workforce with people who have the necessary skills to compete in an increasingly competitive world. For the United States, part of the answer is its Latino population, the nation s youngest and fastest-growing minority, which has shown a strong work ethic and the desire to move up the socioeconomic ladder...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
