

Handy Farm Equipment and How to Use It

By Ramsower, Harry C.

Skyhorse. 1 Paperback(s), 2014. soft. Book Condition: New. Originally published in 1917, and illustrated throughout with drawings, diagrams, plans, and photographs, this guide from Harry Ramsower, an agricultural engineer, presents practical information on virtually every aspect of farm equipment, machinery, and organization. Ramsower surveys every topic of importance to the challenge of equipping a farm, including lighting the farm home, establishing water sources, and arranging for the farmhouse's sewage disposal. More than a snapshot of modern farming in the early 20th century, the book offers still-prudent advice on the timeless problems of farm management and the rich legacy of American agriculture. 344.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- Felicia Nikolaus

These sorts of ebook is the ideal book offered. It can be writter in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
