

Agile Sports: A Blueprint for Measuring Value, Improving Player IQ and Creating Team Synergy (Paperback)

By Victor Holman

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sports are advancing at a lightning pace. Data is available on a scale never before seen. The popularity of sports continues to rise and salary caps are at an all-time high. With change being a constant, teams that surface to the top are the teams that are able to absorb the information coming in, translate it to meaningful information, make quick, informed decisions and yield constant, quantifiable improvements. And with salaries skyrocketing through the roof, more and more teams are finding themselves with big contracts and little returns to show for it. Over the next few years, the organizations that are able to architect rosters with players who can learn how to add quantifiable value and contribute to the team s overall goals will reap the greatest returns. And the teams that do not adapt their data and player development models to reflect the speed of new information and change will find themselves on the bottom. The main challenge that is keeping sports teams from unlocking the full potential of their data is their inability to translate complex data sets into data...
