MODERN MYTHOLOGY: SPECIAL EDITION (PAPERBACK)

On Demand Publishing, LLC-Create Space, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It may well be doubted whether works of controversy serve any useful purpose. On an opponent, as Mr. Matthew Arnold said, one never does make any impression, though one may hope that controversy sometimes illuminates a topic in the eyes of impartial readers. The pages which follow cannot but seem wandering and desultory, for they are a reply to a book, Mr. Max Muller s Contributions to the Science of Mythology, in which the attack is of a skirmishing character. Throughout more than eight hundred pages the learned author keeps up an irregular fire at the ideas and methods of the anthropological school of mythologists. The reply must follow the lines of attack. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
