Sage Words Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Generations after the great Murian upheaval of the Malfesian War against the Bleikovats, the Accords between planets Terato and Myr are signed. Provisional Outpost Terato is under construction near a farm where Teratoan orphan Eklam a Qoc lives with his uncle and cousin. Inquisitive strong-minded Eklam, Ek to everyone in the village, is captivated by the off-worlders technology, and becomes an apprentice to the Outpost Terato s Murian commander, Grand Duke Korvo. Uncle a Qoc disapproves; wants nothing to do with these outlanders, wants their shimmering doorway portals-of-travel banned from Terato. As Outpost Terato becomes operational it seems to become a harbinger stirring ageless secrets of The Old Ones and their frightful weapons, of ancient Teratoan ruins, mysterious glowing lights, unexplained killings, a sacred book in a language no Teratoan can read, a moon that doesn t behave like a moon in its wobbly orbit. From cosmic reaches beyond space and time the ominous secrets of Terato s ancient ruins become more threatening. Ek and Korvo realize both their worlds face extinction with any hope buried somewhere in unknown galaxies far beyond a pastoral Terato or the sophisticated star-empire of the Murians; of missing planets in a star system with its single star in a galaxy far-removed unknown to Terato or Myr. They travel across the universe to a place long forgotten to fight this unknown foe with weapons only dreamed of. Together they face the beast that wishes to consume the entire universe.
