Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. When Angel s Luck was blown to space junk, trader James May and his crew could not collect their reward for retrieving the stolen Essence Phials, which held the extracted minds of humanity s greatest geniuses. So they were grateful to be rescued by the luxury liner Hergest Ridge, even if the commander was May s ex-wife, who had made it plain she never wanted to see him again. Commander Margaret O Hearn had problems. Among her passengers was a delegation of Arcolians, aliens only recently at peace with humanity. And there were rumors of an anti-Arcolian blockade along her route and the possibility of terrorists on board her ship. So the last thing Maggie needed aboard was her ex-husband and his crazy copilot Duke, who had sampled an Essence Phial and was now possessed by a second - and extremely xenophobic - personality. Somehow May had to help Maggie prevent the outbreak of another human-alien war, while protecting Duke from himself and saving his own precious cargo.
