Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. How can leaders distribute leadership across the school, and what are the pitfalls? How can leaders capitalise on the notion of the school as a professional learning community? How can leaders best be nurtured and developed? * Policy, Leadership Practice and Impact - what new forms of leadership are presaged by the specialist schools policy as a means of school improvement? How can schools combine a focus on academic achievement with the need to prepare students for the changing twenty-first century workplace? Leadership, Capacity Building and School Improvement provides an...
