Fleetwood takes us on an adventure of romance, passion, and a touch of suspense, set in one of the world s most notorious locations -- Oakland, California. After witnessing the ghetto mafia mob style murder of his mother from his kindergarten window, after sitting in a courtroom years later watching his brotha get 20 to life, after watching his hero -- his father -- crumble from cancer and die, after living day in and day out surrounded by the family business -- which was selling dope, DeShawn James struggled to find his own way. All the pain he felt inside was caused by the Dope Game, the same Game which had provided for him all his life, the same Game that gave his family the name THE JAMES GANG. In his city, in Oakland, they ran the drug trade. For years THE JAMES GANG had controlled it -- but DeShawn was never involved in it in any kinda way, no aspect at all. Now, he was older, and he was inheriting it, being pulled into it, and he wanted no part of it. Would DeShawn betray his family or pursue his passion of music, which he was good at, with the love of his life Amani? Or would he be forced into the family business? His family was already rich. They didn t need more money. His life had become a Bloodtest. Bloodtest had me on the edge of my seat turning the pages to see what was about to happen next.HOOD This is a Luscious, explosive, exhilarating fast paced and strong gritty timeless story from start to finish.Urbanbooks Network.
