A TREATISE ON REGENERATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Treatise on Regeneration Regeneration, according to the scriptural representation of it, is a very different thing from all this. Neither orthodoxy, nor baptism, nor morality, nor outward reformation, nor the improvement of reason, nor a visible profession, nor any degree of light to which the natural understanding may attain, answers to the conception of the new birth, as it lay in the minds of prophets and apostles. The change indicated by this term is real, not nominal; radical, not superficial; internal and spiritual, rather than outward and carnal in a word; it is a change of the subject, and not of the name only. To be born again signifies nothing less than the infusion of a new principle of spiritual life into the soul, whereby it becomes both inclined and enabled to perform spiritual actions, acceptable unto God. It signifies a re-impression of the Divine image upon the soul; the soul itself remaining the same in its essence, but becoming radically changed in its qualities, desires, and objects.
