## Evolution and Behavior (Hardback)

By Lance Workman, Will Reader

Taylor Francis Ltd, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. The relationship between how we evolved and how we behave is a controversial and fascinating field of study. From how we choose a mate to how we socialize with other people, the evolutionary process has an enduring legacy on the way we view the world. Evolution and Behavior provides students with a thorough and accessible introduction to this growing discipline. Placing evolutionary psychology in context with the core areas of psychology - developmental, cognitive and social - the book explores some of the most fundamental questions we can ask about ourselves. Taking students through the principles of natural selection, it provides a nuanced understanding of key topics such as: \* cognitive development and the role of intelligence, \* memory, emotions and perception, \* mental health and abnormal psychology, \* sexual reproduction and family relationships, \* the development of culture. Addressing a number of controversial debates in the field, each chapter also includes concept boxes, the definition of key terms, chapter summaries and further reading. This is the ideal introductory textbook for anyone interested in evolutionary psychology. It will provide not only an essential overview of...
