Wnd Films, United States, 2014. CD-Audio. Condition: New. Language: English . Brand New. At this time in world history when the horrors of the holocaust are not only a fading memory but the reality of its very existence as a global atrocity is increasingly being denied, we need to be reminded of the what happens when a tyrant is unopposed. Trapped in Hitler s Hell is a powerful and compelling wake-up call for a new generation of Americans as to the consequence of what awaits a nation that departs from God to embrace the tyranny of evil. Anita Dittman was just a little girl when the winds of Hitler s Nazism began to blow through Germany. Raised by her Jewish mother, she came to believe that Jesus was her Messiah at eight years old. By the time she was ten, the war had begun. Imprisoned and separated from her mother when they were taken by the Gestapo to a forced labor concentration camp, her desperate struggle to find survival and hope in the midst of the horror and cruelty brought to her young life is ultimately a stirring inspiration and tribute to the timeless power of the human spirit whose uncompromising trust is in God. In the Trapped in Hitler s DVD Hell Anita Dittman tells her account of Holocaust horror, but she also describes God s miraculous mercy on her as a young girl who spent her teenage years desperately fighting for survival yet learning to trust in the One she had come to love. Like Return to the Hiding Place on steroids Anita Dittman s story is powerful and gripping and provides an insight into nightmarish world of Nazi Germany that could only come from a survivor of the Holocaust. We must never forget.
