Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Atman Neuroscience, This Book explains how these words relate to our Evolution. Atman, a word found most commonly to relate to Hinduism (a word the English used to describe a couple of Millenniums of Spiritual growth in India), but not limited to. Atman is also a Sanskrit word that means inner-self or soul . It means; Breath (life source), Supreme Spirit, Universal Soul, or source of all Souls. It exists in a Higher Plane (Spiritual) just beyond the reach of our physical senses. But we were not made that simple. As a philosophical topic we were designed to exist on a level way beyond the limitations of our every day s physical world. We need to become one with the true world we were meant to live in. We weren t just designed to function on a physical Plane, we also exist on a spiritual one too. This is the Evolved level above that of our physical being. It dictates many of our most important aspects in life, such as conscience, love, remorse, and pity. It is the Atman, the...
