Partridge India, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My perception about Wisdom Of Oneness which mostly expressed in my poetic musings of this book. I believe that the experiences, feelings and emotions of happiness or sorrow of the beings, though seems to be individual, in reality are the part of collective consciousness of One Devine, unlimited, eternal entity . The realisation of the concept of Oneness enable the people to expand their consciousness and mingle with the unlimited consciousness where one cease to exist as I. Such feeling of oneness fill the hearts with peace, universal love and brotherhood liberating the minds from the clutches of negative energies; ego, enmity, greediness and accept the world as a single family .
