

Stupid Sock Creatures: Making Quirky, Lovable Figures from Cast-off Socks (Paperback)

By John Murphy

Lark Books, U.S., United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. John Murphy's sock creations have been featured in such publications as the Washington Post and Readymade magazine. Crafters with a sense of humor, a taste for the weird, wacky, and way-out, and a hunger for the outrageous will find themselves captured by this wildly creative menagerie of sock monsters. Possessed of irresistible charm, these creatures offer all the inspiration anyone needs to transform cast-off socks into wickedly funny toys. There's Claude with his perplexed expression and tiny tail that stands at full attention. Jordan's always on the prowl; he's got three eyes, so nothing escapes him. And there's something really odd about Estelle. Maybe it's her silly conical head balanced precariously on four tiny feet--or perhaps it's just that she's always sticking out her bright red tongue. Great instructions and charming illustrations make it easy to bring these unique personalities to life. A Selection of the Crafters Choice Book Club.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
