

The Drama-Free Office: A Guide to Healthy Collaboration with Your Team, Coworkers, and Boss

By Jim Warner

OnCourse Publishing. Paperback. Condition: New. 216 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. Winner! 2012 Axiom Book Awards: Best Business book Winner! 2012 International Book Publishers Association: Best Business and Economics Book Free your workplace from drama dysfunction with these proven tools for increased office efficiency, harmony, and productivity. In The Drama-Free Office, authors Jim Warner and Kaley Klemp interweave humorous and relatable case studies with the key skills you'll need for managing office saboteurs--be they subordinates, coworkers, or the boss. You will see your coworkers (and yourself) in this entertaining and practical blueprint for addressing the dramatic behaviors that cripple so many teams. The authors research draws on years of experience working with more than 2,500 CEOs and their executive teams. They define the four major drama roles--the Complainer, the Cynic, the Controller, and the Caretaker--found in most organizations and lay out a detailed roadmap to help you: Skillfully initiate difficult conversations and defuse dramatic moments Reclaim the time, energy, and resources wasted in drama-riddled meetings and interactions Reduce your own dramatic tendencies and take control of your work life Create and sustain a collaborative, authentic, and fun work environment This item ships from multiple locations. Your book may...

Reviews

It is an awesome publication which I actually have ever read through. It had been written really properly and valuable. I found out this book from my mom and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
