On August 24, 1572, Parisian mobs massacred more than 2,000 Protestant men, women, and children, and triggered further persecutions across France. In response, soldiers of the Reformed Church took up arms against the slaughter brought about by the Catholic armies. Young Phillip Fletcher, of English heritage, joins the service of Admiral Gaspard de Coligny and Henry of Navarre to fight for religious freedom. Finding himself behind the battle lines of the Roman Catholic House of Guise, he leads a squad of veteran soldiers as they fight for family and land. His swordsmanship and wit take him through harrowing struggles, where he finds himself rescuing a woman of nobility. Many of the surviving French Calvinists, known as Huguenots, flee from their land to various European countries, where they learn to overcome the great price they have paid for their religious freedom, and Phillip returns to England a hero.
