

Tom Yawkey: Patriarch of the Boston Red Sox (Hardback)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

University of Nebraska Press, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. Few people have influenced a team as much as did Tom Yawkey (1903-76) as owner of the Boston Red Sox. After purchasing the Red Sox for \$1.2 million in 1932, Yawkey poured millions into building a better team and making the franchise relevant again. Although the Red Sox never won a World Series under Yawkey's ownership, there were still many highlights. Lefty Grove won his three hundredth game; Jimmie Foxx hit fifty home runs; Ted Williams batted .406 in 1941, and both Williams and Carl Yastrzemski won Triple Crowns. Yawkey was viewed by fans as a genial autocrat who ran his ball club like a hobby more than a business and who spoiled his players. He was perhaps too trusting, relying on flawed cronies rather than the most competent executives to run his ballclub. One of his more unfortunate legacies was the accusation that he was a racist, since the Red Sox were the last Major League team to integrate, and his inaction in this regard haunted both him and the team for decades. As one of the last great patriarchal owners in baseball, he was the first person elected to the Baseball Hall of Fame who hadn't been a player, manager, or general manager. Bill Nowlin takes a close look at Yawkey's life as a sportsman and as one of the leading philanthropists in New England and South Carolina. He also addresses Yawkey's leadership style and issues of racism during his tenure with the Red Sox.
