Lorraine Reguly, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Risky Issues is not your typical book of short stories; instead, it brings to light many issues faced by children, teenagers, and even adults: identity, drugs, abuse, death and friendship. The stories found in Risky Issues were carefully selected because they re not your typical conversational topics. It s the author s hope that those who read these stories will be able to share their own experiences with others. As such, this collection of stories can be read by people of all ages. The first story, The Secrets of the Study, is about a girl who enters her father s study to get some blank printer paper but instead finds papers that reveal she is adopted. To compound things, her father catches her. The second story, Pamela in the Park, is about a teenage girl who is out past curfew and is supposed to meet a temperamental drug dealer in the park to give him back some drugs she was holding for him. He doesn t show up, but a policeman does. The third story, The Day Adam Saw Red, is about sexual abuse. Adam, a victim, gives a speech to his class about this topic, and then goes outside to sit under an oak tree to ponder his dire situation, as his speech was a masked cry for help. He is befriended by the school custodian, who is thought to be creepy, but who takes the time to speak to him to help solve his problem. In the final story, My Best Friend, a young girl finds out that her Grandma s dog died. She thinks of Snoopy as her own, and is devastated. Read Risky...
