

## Complete Handbook of Home Extensions

By -

IMM Lifestyle Books. Electronic book text. Book Condition: new. BRAND NEW, Complete Handbook of Home Extensions, Written by a qualified Building Control Officer with over thirty years' experience in the industry, the book talks you through the entire home-extension process from conception to decorating. It offers advice on substructure, superstructure, internal and external work, as well as site inspection, drainage and restrictive covenants. There is also a handy section on finance, insurance and warranty schemes. Common problems are helpfully identified, enabling you to begin building with confidence. Save time and stress by using the included standard specification for a single storey extension, new to this fourth edition.

### Reviews

*This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).*

*-- Desmond Becker*

*Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).*

*-- Ambrose Thompson II*
