

## Safari Companion: A Guide to Watching African Mammals (Paperback)

By Richard D. Estes

Chelsea Green Publishing Co, United States, 2013. Paperback. Condition: New. Revised, Expanded ed.. Language: English . Brand New Book. Since its original publication in 1993, The Safari Companion has been a much-loved field guide to observing and understanding the behaviour of African mammals. An indispensable tool for naturalists traveling to Africa, the book also acknowledges the enthusiasm of those watching these magnificent animals at zoos and wildlife parks, and on film. The Safari Companion enables readers to recognize and interpret visible behavioural activities, such as courtship rituals, territorial marking, aggression and care of young. Each account of over 80 species includes a behavioural table in which the unique actions of the hoofed mammals, carnivores and primates are described for easy reference. In addition, useful maps show the major national boundaries, vegetation zones, and game parks relevant to the guide. The book includes an extensive glossary, as well as tips on wildlife photography, a list of organizations working to protect African wildlife, and advice on where and when to see the animals.
