Longman, 1999. Taschenbuch. Condition: Neu. Neu - In 1960s America, four young boys go on a journey to search for the body of a boy killed by a train. As they travel, they discover how cruel the world can be, but also how wondrous. 'Penguin Readers' is a series of simplified novels, film novelizations and original titles that introduce students at all levels to the pleasures of reading in English. Originally designed for teaching English as a foreign language, the series' combination of high interest level and low reading age makes it suitable for both English-speaking teenagers with limited reading skills and students of English as a second language. 80 pp. Deutsch.
