Excerpt: . . . A Decade of Gang Research: Findings of the National Institute of Justice Gang Portfolio Do female gang members need programming different from that for young women who are not gang members but are involved in other forms of serious misconduct and delinquency Can programming for female gang members operate independently of other interventions for gang members Can programming for female gang members operate independently of other interventions for young women who engage in other forms of serious misconduct and delinquency Which types of programming are most successful in reducing the involve-ment of female gang members in serious misconduct and delinquency The chapter begins to fill in some of the gaps that must be addressed in developing, implementing, and evaluating programs targeted to young women in gangs. Unfortunately, such programs often have mirrored programming for youth in general,...

### Reviews

*Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*-- Dr. Catherine Wehner*

*Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.*

*-- Brian Bauch*
