MONTANA SUNSETS: A MONTANA MOUNTAIN MYSTERY

B a Kargol, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sixteen names on a mysterious list - all but two are deceased! Who is next? Anne s childhood friend Sarah arrives for a visit - within an hour of landing in Spokane - Sarah is dead. A streaking dark SUV hurls Sarah into the air like a bowling pin, injuring Anne as collateral damage. Or was it? A single murder blossoms into fourteen. A tangled web of lies and deceit grows tentacles connecting facets of their lives that seemingly have no connection. Time is of the essence - Anne and Clint must solve Sarah s murder in order to protect themselves and their new family. Anne s world has been safe and secure for the past five years with Clint as her full time partner. Demons had been fought and defeated (in Montana Revenge). But evil has come knocking at their door again and won t leave peaceably. With a renewed sense of purpose, while Anne is recovering and tending the fires at home, Clint shifts the battle to engage the murderer or is it murderers? Sunsets are beautiful with shades of red, streaking through the blue sky. Montana Sunsets close the chapter on a day, on a life and hold the promise of a new day, waiting, just around the corner - but not for everyone. Montana Sunsets is the sequel to Montana Revenge. Haven t read Montana Revenge yet? Nothing to worry about - Montana Sunsets stands on its own and the reader is quickly brought up to speed on any essential information from the first novel. Once finished, you can satisfy any underlying curiosities with character history by reading the predecessor.
