## CAMPUS WARS: THE PEACE MOVEMENT AT AMERICAN STATE UNIVERSITIES IN THE VIETNAM ERA (PAPERBACK)

[DOWNLOAD PDF](#)

New York University Press, United States, 1994. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. At the same time that the dangerous war was being fought in the jungles of Vietnam, Campus Wars were being fought in the United States by antiwar protesters. Kenneth J. Heineman found that the campus peace campaign was first spurred at state universities rather than at the big-name colleges. His useful book examines the outside forces, like military contracts and local communities, that led to antiwar protests on campus. Â Herbert Mitgang, The New York Times Shedding light on the drastic change in the social and cultural roles of campus life, Campus Wars looks at the way in which the campus peace campaign took hold and became a national movement. Â History Today Heineman s prodigious research in a variety of sources allows him to deal with matters of class, gender, and religion, as well as ideology. He convincingly demonstrates that, just as state universities represented the heartland of America, so their student protest movements illustrated the real depth of the anguish over US involvement in Vietnam. Highly recommended. Â Choice Represents an enormous amount of labor and fills many gaps in our knowledge of the anti-war movement and the student left. Â Irwin Unger, author of These United States The 1960s left us with some striking images of American universities: Berkeley activists orating about free speech atop a surrounded police car; Harvard SDSers waylaying then-Secretary of Defense Robert McNamara; Columbia student radicals occupying campus buildings; and black militant Cornell students brandishing rifles, to name just a few. Tellingly, the most powerful and notorious image of campus protest is that of a teenage runaway, arms outstretched in anguish, kneeling beside the bloodied corpse of Jeff Miller at Kent State University. While much...
