

History as Literature and Other Essays

By IV Theodore Roosevelt

COSIMO CLASSICS, United States, 2006. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Greco-Roman world saw a civilization far more brilliant, far more varied and intense, than any that had gone before it, and one that affected a far larger share of the world's surface. For the first time there began to be something which at least foreshadowed a world movement in the sense that it affected a considerable portion of the world's surface and that it represented what was incomparably the most important of all that was happening in world history at the time. -from The World Movement A man of prodigious and wide-ranging interests, Theodore Roosevelt-politician and soldier, naturalist and historian-was the youngest president in American history, ascending to the office when he was only 42. and with much vigorous life in him and influence to exert after he left the Oval Office, as this 1914 volume ably demonstrates. In this collection of essays for various publications and addresses delivered before Oxford University, the University of Berlin, the Sorbonne, and the American Historical Association in the years after he left the White House, Roosevelt introduces...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
