We added backgrounds to the art and some new pages of eldritch horrors, as well as redrew most of the old images. We even saved the old background-free drawings from the last book for decorating and craft use (4 per page). The improvements added 16 pages, so even if you have the old book, this one will be even better at 56 pages and the SAME great price! We also wanted to start a series by bringing the cover in line with our second book: Monsters and Cryptids of the United states of America. Click on the author name above and get both! At long last, the stars are aligned and a tome of activities has arisen! Word games, mazes, puzzles and dot-to-dots punctuate dozens of coloring pages featuring horrors out of time that await your crayons! Keep the book complete for your monster reference, or cut it up to make dioramas and mobiles or puppets you can use to act out a play and keep your co-workers away. Hours of madness and mind games are found within these pages! All horror but no blood for younger cultists, unless of course they go wild with a red crayon.
