Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Periodic Reports of the Agricultural Marketing Service: January 1961 The Agricultural Marketing Service, in cooperation with many of the State Departments of Agriculture, gathers and distributes market news on supply, demand, quality, prices and movement of agricultural products. Through a nationwide network of more than 170 field offices, trading is reported at major terminal markets, as well as in important production and shipping areas. For a quick exchange of information most of the market news offices are connected by more than 13,000 miles of leased teletype lines. Market reports are issued on all major farm commodities, including cotton, cotton seed, dairy and poultry products, fruits and vegetables, grain and related products, feed molasses, livestock, meats, wool, tobacco, naval stores, honey, peanuts, and pecans.
