Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Art of the Drama This book is not a history of the drama. It is a tool for the use of those who wish to deepen their understanding and enhance their enjoyment of plays witnessed in the theater or read in the study. Part II considers the major modes of drama - classicism, romanticism, realism, sentimentalism, symbolism, and expressionism. Part III concerns the major problems of dramatic technique and the characteristic solutions of those problems in the various types and modes and periods of drama. There is no question that it would have been more logical to consider first the technical, second the aesthetic, and third the historical approach to the study of drama, and students of a logical turn of mind will have no difficulty in using the...
