In this guided anthology, experts lead students through the major genres and eras of Chinese poetry from antiquity to the modern time. The volume is divided into 6 chronological sections and features more than 140 examples of the best shi, sao, fu, ci, and qu poems. A comprehensive introduction and extensive thematic table of contents highlight the thematic, formal, and prosodic features of Chinese poetry, and each chapter is written by a scholar who specializes in a particular period or genre.
