*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Bison Books. Paperback. Condition: New. 565 pages. When Grace Snyder, the matriarch of a pioneer Nebraska family, wrote these reminiscences in her eightieth year, she felt she had been blessed by having no time on my hands. The story of her busy life begins on the high plains of Nebraska, where her parents homesteaded in 1885. She recalls her childhood in a sod house on a frontier that required everyone to pull together in the face of hostile weather, serious illness, and economic depression but that also held its full share of good times. As a child of seven and up, writes Grace Snyder, . . . I wished that I might grow up to make the most beautiful quilts in the world, to marry a cowboy, and to look down on the top of a cloud. At the time I dreamed those dreams and wished those wishes, it seemed impossible that any of them could every come true. But she saw all of them realized. No Time on My Hands is a remarkable chronicle of the sod house era and of Grace Snyders married life on a ranch in Nebraskas sandhills. From there she finally flies above the clouds to exhibits where her quilts contribute to a worldwide revival of quiltmaking. Mrs. Snyder lived twenty years after the publication of these memoirs in 1963, to the age of one hundred. Her daughter, Nellie Snyder Yost, who helped to write No Time on My Hands, has added an epilogue to this Bison edition. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
