

Black Nationalism - Alive and Well (Paperback)

By Frederick Monderson

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Black Nationalism: Alive and Well does not mean Black people are sitting around in treasonous gatherings and plotting to overthrow the US government; nor does it mean we are praying for this nation to become a failed state. More pointedly, Black Nationalism does mean, first, as Marcus Garvey instructed, we could be critical and patriotic Americans and still proactively advocate for Africa and Africans worldwide.as people and place of cultural origin. However most important, as we stand today, Black Nationalism does mean that African-Americans have risen to a sophisticated level of historical, spiritual, and psychological consciousness. They have progressed tremendously beyond the brutish stage foundation patriots had consigned them through legislative fiat, for when in 1662 the law decreed enslaved Africans and their descendants thenceforth would be considered sub-human and chattel in perpetuity. Its generally agreed, you cannot keep a man in the gutter without muddying yourself! Thus, the slave trade, slavery and the behavior of racial hatred and prejudice has created a pathological mindset in the European and American psyche that even after shedding the physical brutality associated with the resulting...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
