Jennifer Trask is a smart woman with a good heart and a slightly larger waistline but that doesn t stop her from taking her chances with love. Two rich, handsome stepbrothers both vie for the affections of the plus-sized beauty, but her heart has always belonged to one of them. Michael Dunham stole her heart in high school and had always held on to a piece of it but the caring and sensitive, Dean, would move the earth and stars out of orbit just for one look into her eyes. Will she choose the man she has longed for since she was a teenager or will find love in the arms of his younger brother?.
