Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Twenty-eight-year-old Kate Delaney left New Falls, Tennessee, heartbroken but determined to be a successful screenwriter. She s spent the last ten years in LA, but is back in town, fifty pounds lighter, California hotter, and she s written The End on a screenplay, which is movie magic in the making. Just one problem-a nerve-nuking thief runs-off with her laptop, attached USB back-up, and the contents of her underwear drawer-and as if that wasn t enough, the heartbreaker from ten years ago just walked through the door with a sheriff s badge and looking more hormone-carbonating than ever. Quentin Taylor likes the new and improved Kate, but to be honest, his feelings aren t new. When a teen-aged Kate bloomed, her older brother Reese established a no-look, no-touch, no-anything else rule. Quentin figured it was the anything else that worried him most. Attractive then, now she was irresistible, and he needed to know one thing. Was touching her still off-limits? Despite a meddling, matchmaking mother, a gossiping dispatcher/receptionist with an obsession for orange, and a small-town burglar who steals thimble collections, garden tools, and underwear, Quentin and Kate search for her missing script and try not to fall for each other as they get Lost in New Falls.
