Literary Translations: A Tool for Writers, Speakers, and Students (Paperback)

By Dr Robert Stevenson

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In both written and oral communications, transitions are those literary connective devices which are introductory in nature. They exist as words, phrases, clauses, sentences, and in some cases these transitional elements are in the form of paragraphs. Literary transitional expressions indicate what previously has taken place, what is presently taking place, or what will take place later. Next, transitional elements can be compared to the moveable rail of a railroad switch . . . a switching rail that gently switches or transfers a train from one set of railroad tracks to the next set of tracks. Comparatively speaking, literary transitions represent writers , speakers , and students turn of thought that is linked to a previous thought. In order words, transitional elements lead readers or listeners smoothly and coherently from one idea to the next idea by bridging communicators gap in their thinking process. These devices level out the literary bumps in written and oral communications. Transitions indicate the direction the new thought, sentence or paragraph will take. Further, transitional connectives provide coherence that holds messages together by showing relationship between...
