Addison-Wesley Professional. Paperback. Condition: New. 336 pages. Use Visual Studio 2010s Breakthrough Testing Tools to Improve Quality Throughout the Entire Software Lifecycle Together, Visual Studio 2010 Ultimate, Visual Studio Test Professional 2010, Lab Management 2010, and Team Foundation Server offer Microsoft developers the most sophisticated, well-integrated testing solution theyve ever had. Now, Microsoft MVP and VS testing guru Jeff Levinson shows exactly how to use Microsofts new tools to save time, reduce costs, and improve quality throughout the entire development lifecycle. Jeff demonstrates how Microsofts new tools can help you finally overcome long-standing communication, coordination, and management challenges. Youll discover how to perform first-rate functional testing; quickly create and execute tests and record the results with log files and video; and create bugs directly from tests, ensuring reproducibility and eliminating wasted time. Levinson offers in-depth coverage of Microsofts powerful new testing metrics, helping you ensure traceability all the way from requirements through finished software. Coverage includes Planning your tests using Microsoft Test Manager (MTM) Creating test settings, structuring test cases, and managing the testing process Executing manual tests with Microsoft Test Manager and Test Runner Filing and resolving bugs, and customizing your bug reporting process Automating test cases and linking automated tests with requirements Executing automated test cases through both Visual Studio and Microsoft Test Manager Integrating automated testing into the build process Using Microsofts Lab Management virtualization platform to test applications, snapshot environments, and reproduce bugs Implementing detailed metrics for evaluating quality and identifying improvements Whether youre a developer, tester, manager, or analyst, this book can help you significantly improve the way you work and the results you deliverboth as an individual right now, and as a team member throughout your entire project.
