Penguin Putnam Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. From the author of Breathe and Blush comes a blisteringly hot new novel about baring it all. On her last night in Nevada before embarking on a yearlong veterinary internship, Scarlett Malone is celebrating--and looking for one night of incredible pleasure. But the man who draws her eye is not her usual type: He's a cowboy whose alpha-male tendencies tempt her beyond belief. Scarlett can't understand why she wants this man and no one else, but she's determined to entice him to submit. Dr. Logan Brody lives an isolated life in rural Montana, running a ranch and suppressing his submissive tendencies. Only on his occasional trips does he give into his hidden urges. He can't deny his scorching attraction to Scarlett or that she makes him want more, but he never lets anyone break him down fully. He's hers for one night and one night only. But when Scarlett shows up at Logan's door as his intern for the year, he realizes that the walls around his heart are about to crumble--and that this sexy dominant woman has no intention of letting him keep control.
