

Children Growing Up with War (Hardback)

By Jenny Matthews

Candlewick Press (MA), United States, 2014. Hardback. Book Condition: New. 284 x 229 mm. Language: English . Brand New Book. Through personal narrative and candid photographs, a photojournalist chronicles young lives upended by violence and strife. The right to adequate nutrition and medical care. The right to free education. The right to a name and nationality. The right to affection, love, and understanding. In conflict zones around the world, children are denied these and other basic rights. Follow photographer Jenny Matthews into refugee camps, overcrowded cities, damaged villages, clinics, and support centers where children and their families live, work, play, learn, heal, and try to survive the devastating impact of war. This moving book depicts the resilience and resourcefulness of young people who, though heavily impacted by the ravages of war, search for a better future for themselves, their families, and their cultures.
