Paolo Brezzi was born December 18, 1910, in Turin, Italy, and obtained the degree of Doctor of Letters at Turin State University. He has taught philosophy and history in state graduate schools and medieval history at various Italian universities. At present, he is ordinary professor of Church history at the University of Naples, Italy. The author of a number of publications in political history, political doctrines and Church history, he is history consultant of the Sacred Congregation of Rites, vice-director of the well known historical review Studi Romani, and member of various commissions on Italian history. This book is not intended to be a history of the popes, narrating even briefly the life and activities of each individual titular; neither is it an enumeration of the religious, political, civil and cultural undertakings initiated by the popes or developed under their leadership. The immense quantity of such material could not possibly have been brought within the scope of this volume. Nor are there wanting works of this type, more or less voluminous and reliable. The aim of this study, instead, is to trace the evolution of the papacy-specifically, the historical development of the papal institution as seen against the setting of its various periods and exemplified by its more typical representatives-in order to ascertain whether its perennial existence is the result of favorable historical circumstances, of cleverness and intrigue, or of an element of consistency and inevitable continuance inherent to the institution itself. In this book, references to persons and events presuppose that the reader is generally familiar with them and that he will consult larger works if he desires more extensive details. In view of the nature of this study, we cannot...
