DIY Projects: (FREE Bonus Included) Top 50 DIY Household Hacks To Save Time Money Maintaining Your Home Most people look forward to the day they can own their home. Whilst renting is acceptable there is a financial security in having your own place, mortgage free. Of course, this is generally something which is not achieved until later in life. Whilst you own a property you will be responsible for maintaining it; this is a complex and varied area. Maintenance tasks can vary from replacing roof tiles, to painting the inside and outside of the home or even doing some basic plumbing and electrical tasks. Although there is a time when you should step aside and let a professional deal with the matter; there are also many occasions when you can resolve an issue with just a little common sense and knowledge. This book will teach you a variety of hacks to ensure you are ready to deal with any maintenance situation: A quick guide to maintenance and why it is so important to preserve and care for your home. 15 basic maintenance hacks to point you in the right direction. 15 Hacks designed to make your maintenance jobs easier 10 Tips to minimize your indoor chores A final 10 tips concerning the outside jobs and how to stay on top of them.
