

## Design, Specification and Verification of Interactive Systems 99: Proceedings of the Eurographics Workshop in Braga, Portugal, June 2 4, 1999

By -

Springer. Paperback. Condition: New. 296 pages. Dimensions: 9.6in. x 6.7in. x 0.7in. This book is the formal proceedings of the Eurographics Workshop on Design, Specification and Verification of Interactive Systems, DSV-IS99, which was held at the University of Minho, Braga, Portugal from June 2 to June 4, 1999. The previous events of this series were held at Pisa, Toulouse, Namur, Granada, and Abingdon; the theme this year was Engaging the Mind by Enriching the Senses, emphasising the importance of the interface in making interaction both effective and enjoyable. Presentations and discussions covered topics that included specification methods and their use in design, model-based tool support, task and dialogue models, distributed collaboration, and models for VR input. As in previous years, there was a strong emphasis on formal representations and modelling techniques, and their use in understanding interaction and informing the design of artefacts. However, the aim of the workshop is to encourage an exchange of views within a broad community, and other approaches, in particular tool support for model-based design, were also represented. This book includes the papers of the two invited speakers (one as an abstract only), the fourteen full papers accepted for publication, two shorter position...
