Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

HUMAN NATURE AND CONDUCT. All artistic literature may be regarded from two points of view, from one of which we have presented for our study and enjoyment its literary form, and from the other its subject-matter. Though form and substance are so closely related and blended as to constitute what is virtually an organic whole, it is allowable to select either of these two aspects for discussion, when the occasion requires it. But in that case it will be necessary to remember that it is not possible to give a complete critical estimate of any artistic literary production whose subject-matter alone is to be discussed; nor, on the other hand, is it legitimate rigidly to limit d priori either subject-matter or form, until our science of criticism shall approach nearer completion than it does to-day. Certain primary conditions of artistic production must of course be satisfied; but at the same time, while judging, as we must, according to accepted canons, it is necessary to keep in mind the fact that we are judging more or less experimentally and tentatively only, and must not B award praise simply on the ground of conformity to an accepted standard which is admittedly incomplete, nor blame because of divergence from it This is no plea for licence, but only for such carefulness as the continued evolution of artistic production, and the consequent unfinished state of literary scientific criticism demand. As so...
