

Stillness Speaks

By Eckhart Tolle

Yogi Impressions Books Pvt. Ltd., Mumbai, India, 2015. Softcover. Book Condition: New. First Edition. This long-awaited second book by renowned spiritual teacher Eckhart Tolle provides a "going deeper" into the teaching already so eloquently and clearly expressed in his first book *The Power of Now*. Although the teaching takes on new depth, added dimensions and specific focuses, it is even easier to grasp since Eckhart writes in short, clear entries ranging from one line to one page. Each entry is concise and complete in itself, even though they have been astutely organized into 10 topic clusters ranging from "Stillness & Silence" and "Beyond the Thinking Mind" to "Relationships" and "Suffering & the End of Suffering". Whether read individually, as a topic cluster, or in their totality, these entries take on a Transformative power that can awaken the reader to Self-Realization, to their true nature. While spiritually profound, *Stillness Speaks* is also intensely practical. Eckhart tells us how to be with another in a relationship, which can contain and weather all things, how to "sit" with a dying person, where to find wisdom, how to free ourselves of guilt, and how to control the runaway-thinking mind. Printed Pages: 152.
