Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Imagine reading an archery book that you can't put down. And imagine taking the knowledge from this book and applying it to your daily life. That's what makes this book very different. Besides an explanation of archery basics, you gain from Archery Answers insight as to how to live life more authentically. Archery Answers is not a substitute for a good coach or lessons at your local archery store, club or park. Also, it is not a bow hunting book, nor a book about compound bows and complex sighting devices. This book is not about winning. Why? Because you already have all you need within. Archery Answers is a book that gives you something new to add to your skills as an archer: Presence. You will experience that intangible aspect of archery which gives you completeness both as an archer and as a person. This something has been described before in Zen terms, in terms of being at one with bow, arrow, and target. Now you will finally get it. Here are some of the topics covered in the book: The Archery Basics The different types of bows and their history The different types of quivers, pros and cons Armguards inexpensive, fancy, and how to make your own The different types of arrows, pros and cons Bowstring basics Different types of string keepers, and how to make your own Different types of bow stringers, and how to make your own Shooting gloves vs. finger tabs, and how to make your own Various types of targets with recommendations Types of arrow components, from nock to point How to make arrows and how to repair arrows - all the basics you...
