MAC S MINI BIBLE

Xulon Press, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.After, a lifetime of being a Church member, and leading the church, as a teacher, ruling Elder, Lay speaker, lay Preacher, and a certified lay Pastor, this is my understanding, of the power of the word of God. God s word is the most powerful thing in the cosmic universe. By His word He can create, sustain, change or destroy. He created the universe. And He created mankind in His own image. This is a synoptic of the use of His word, from the time He created all things to the present, which the Holy Spirit led me to write. It gives an orderly account of my understanding of the methods God used in dealing with civilization, which I call God s children. It is my fervent prayer that each of you who read this, my writing, will be led, to give your hearts to Jesus, and He will fill your hearts as He has filled mine.
