Pro Mastery Publishing, 2017. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book ***** Print on Demand *****. Cats are some of the cutest and most adorable creatures on the planet when trained properly. Would you love to know the secrets to loving and caring for cats? Whether you want to (1) learn how to care for your cat(s) the right way, (2) decide if cat ownership is for you, or (3) discover how to turn your cat into a loving purring machine, this book will teach you everything you need to know. Choose the right cat for you. The best cat for you will depend on the size of your household and any other pets you already have, as well as other factors. I have included information to help you choose the perfect cat for you. Delve into descriptions of the different breeds and learn about the quirks and personality types of each type of cat. Healthy cats are happy cats. Cats are generally healthy creatures, but there are things you can do to ensure they stay that way. Learn to recognize the signs that indicate a health problem. Get guidelines to help you decide when you need to take your cat to a vet or when you can handle your pet s needs yourself. Follow simple instructions to care for a cat s basic health needs. Yes, cats can be trained. It goes without saying that cats need to be litter box trained. Beyond that, all felines need the mental and physical stimulation that training provides. Active training can prevent a cat from becoming bored and scratching up your couch later. Even if your feline appears aloof, it needs the social interaction that comes with training. I ve provided a host of...
