When Rosalind's fifteen-year-old daughter, Stephanie, ran away with her teacher, this ordinary family became something it had never asked to be. Their lives held up to scrutiny in the centre of a major police investigation, the Simms were headline news while Stephanie was missing with a man who was risking everything. Now, six years on, Ros takes a call that will change their lives all over again. He's going to be released from prison. Years too early. In eleven days' time. As Temperley's release creeps ever closer, Ros is forced to confront the events that led them here, back to a place she thought she'd left behind, to questions she didn't want to answer. Why did she do it? Where does the blame lie? What happens next?.
