Reviews

A superior quality book and also the font employed was fascinating to learn. I could possibly comprehend almost everything using this created e publication. You wont sense monotony at at any time of your respective time (that's what catalogs are for about should you ask me).

THE PRESENT STATUS OF MILITARY AERONAUTICS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Present Status of Military Aeronautics It is a matter of first Significance that The American Society of Mechanical Engineers, composed Of a body of highly trained and serious minded men, should be considering in annual meeting assem bled the subject Of aerial navigation. Five years ago such a subject could scarcely have had a place on the list Of professional papers on your program. The present period will ever be memorable in the history of the world for the first public demonstrations of the practicability Of mechanical ?ight. In fact, at the present moment a resistless wave of enthusiasm and endeavor, sweeping away every prejudice, is passing Over the entire civilized world, fixing the atten tion Of all classes upon the problem Of ?ight. France, Germany, and England are in a state Of frenzied interest in this subject, and each period of a single month sees some new step accomplished in the march of progress. The Universal Highway is at last to be made available for the uses Of mankind, with its consequent in? uence upon our modes Of life and thought.
