Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

ART PAINTING WITH DIFFERENT TOOLS

Barron's Educational Series, United States, 2015. Paperback. Book Condition: New. 224 x 201 mm. Language: English . Brand New Book. Art doesn't have to be an expensive production of paints, brushes, and other supplies. When it comes to encouraging kids' creativity, the everyday items we have around the house can be just as good as fancy art studio materials. Barron's new Art Painting series shows children just how easy it is to turn the ordinary into the extraordinary with dozens of really unique and totally do-able projects using supplies that can be found in the kitchen, pantry, or linen closet! With a little imagination, simple items like coffee, sponges, bottle caps, aluminum foil, old newspaper, and even cotton swabs can be used to create a masterpiece! Clearly illustrated, step-by-step instructions include material lists, advice for preparing the workspace, and notes for when an adult's help is needed. Endless inspiration for aspiring young artists as well as teachers and parents! In *Art Painting with Different Tools*, who says paintbrushes are the only way to paint? This book explores some cool alternatives. (Ages 5 and up).
