Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

With a police officer for a father, Sam is in no short supply of writing material. In the third book of the Samantha Sanderson series, when the school s grades were tampered with, Sam must enlist Makayla s help in hacking the system to discover the virus that was used and who committed the crime. But when the lead suspect is her newfound friend, Felicia, Sam must choose whether to stick by her friends at all costs or report the story as she sees it. The Samantha Sanderson series is about an ordinary girl with extraordinary dreams. Each book touches on a crime straight from headlines, from bomb threats to bullying, while following Samantha and her friends as they navigate middle-school and questions of faith.
