Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1902 Excerpt: .to the brief presentation of patients and specimens, the latter half to an informal reunion during which lunch and liquid refreshments are served. **Essentials Of Physiology**. Prepared especially for students of medicine by Sidney P. Budgett, M. D., Professor of Physiology in the Medical Department of Washington University, St. Louis. Arranged with Questions following each chapter. Illustrated. W. B. Saundkrs Company, Philadelphia and London. The publishers have added to their question compends an excellent little book, which possesses a rare, if not unique quality, among works of its title, in requiring the student to reason out of the text answers to the questions which follow the chapters. This is a decided step in advance of the system of stereotyped question and answer which seems to prevail in quiz books. The conducting paths of the central nervous system have been well represented in a number of original cuts by the author; in these the grouping of graphic sections has been very successfully carried out. In fact the book is not a quiz compend in the usual sense, but rather of the nature of a manual of physiology. R.J. T. WASHINGTON UNIVERSITY MEDICAL DEPARTMENT. The session of 1902-1903 will begin Thursday, September 25,1902, and continue about eight months. The course of instruction is graded and covers four years. During the first two years attention is given chiefly to practical laboratory instruction in Anatomy, Chemistry, Histology, Physiology, Bacteriology, Pathology and Physiological Chemistry. The instructors in these branches devote their...
